

GRINGLEY CHURCHYARD GRAVESTONE RECORDING PROJECT

Thank you for checking out this latest version of our Project WIP (Work in Progress) document.

This will eventually be in 10 Sections A/J reflecting the Sectors into which we have schematically broken up the Churchyard. So far we have loosely completed Sectors A, B, C, D and G. Other are being worked upon.

The labelling of Stones by Sector and unique Number are reflected in Maps of each Sector - drafts are included but will somehow be "professionalised".

Surnames with locations will also eventually all be indexed.

All photographs will be reviewed before publication and some Stones will be re-photographed as necessary.

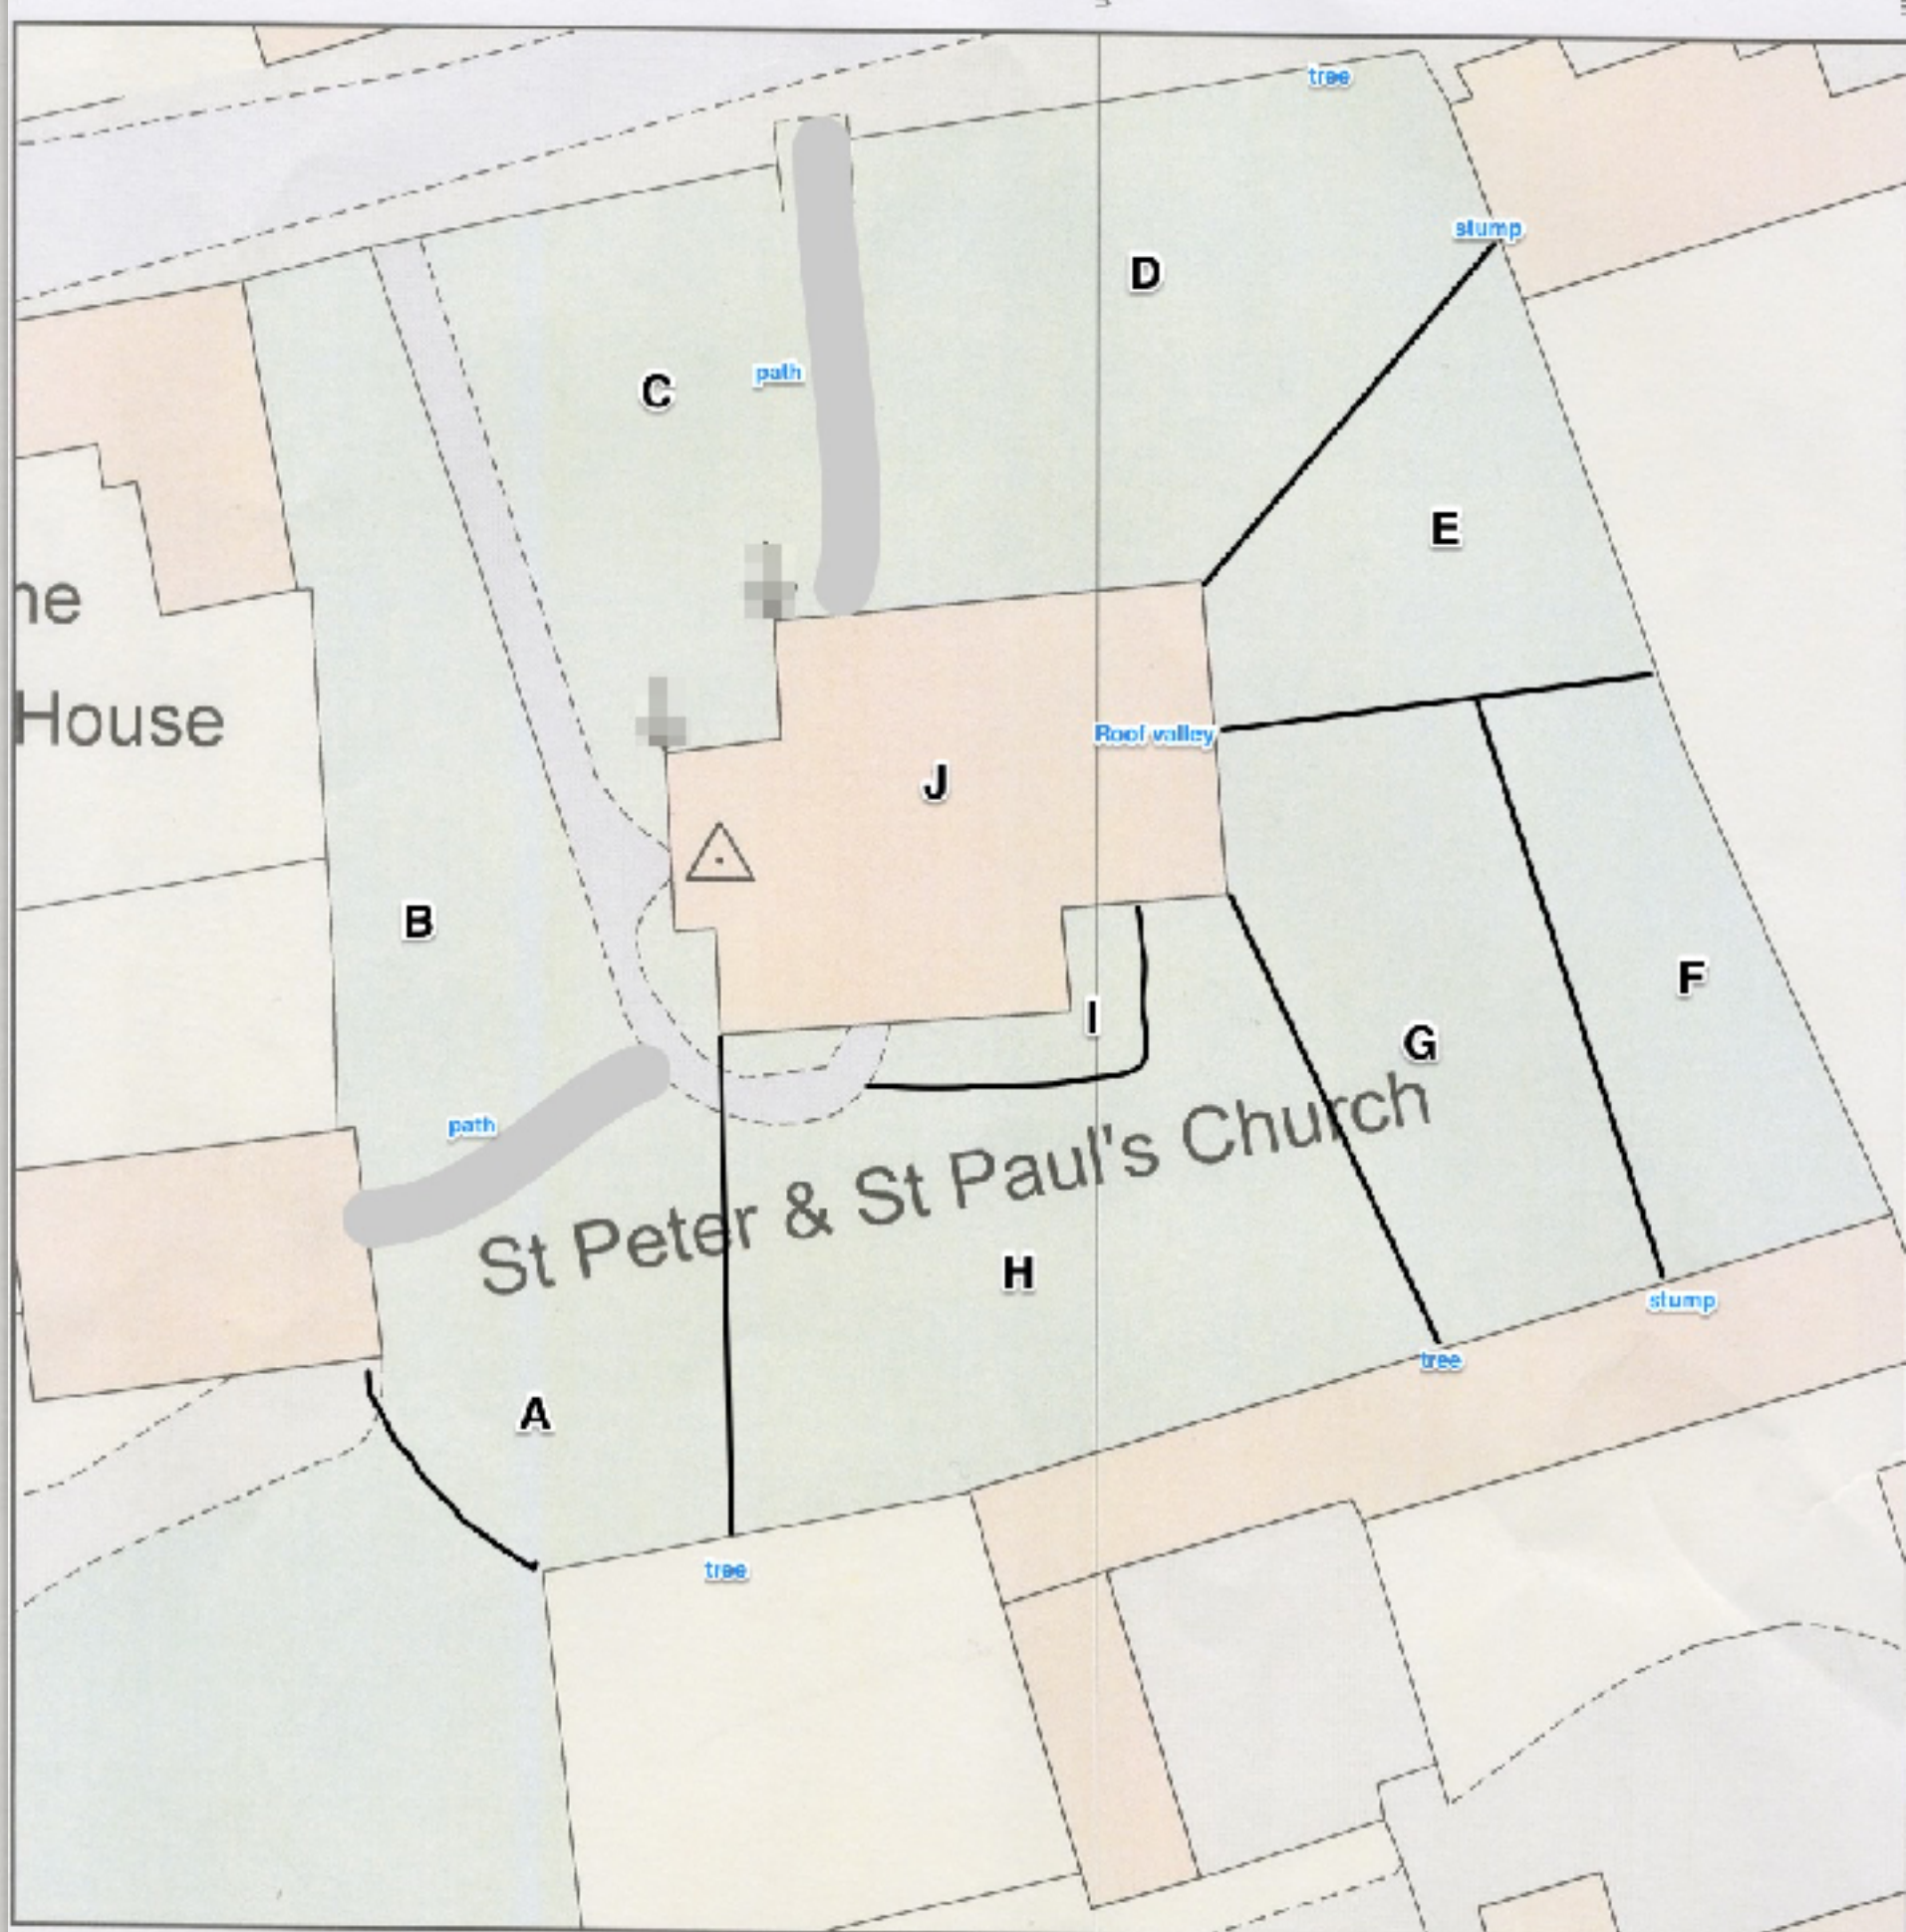

If you would like to get involved in this project - and it's the more the merrier - please contact any member of the Committee.

Currently we have two Sectors still awaiting allocation to an enthusiastic and systematic pair of workers.

Another William Bows is a bricklayer aged 20 in 1901 but there is no obvious family connection.

There was a son Joseph born c.1846 and three daughters. The girls stay with her and Emma marries George Lill who is also shown as a Druggist in the same property in 1881.
